Special Notice:

For those of you who haven't noticed, we have been adjusting the list prices throughout the entire sale. Effective immediately, we have listed most of the Government Pack coins such as Proof, Mint and Commemorative sets in the "Green Sheets". The quantity discount will not apply for this section of the "Green Sheets". Over the next few months we hope to have this housekeeping task completed, which will make our pricing structure more reflective of today's market. Please see page -10- of the Green Sheets!
