All returns MUST be in original packaging with copy of invoice. Shipping is also NON REFUNDABLE. We do not guarantee overseas shipments.

**Grading standards** follow ANA Guidelines and Common Sense. We do not guarantee that any particular grading service will agree, they can't agree with themselves. **Exclusions to discount:**

All bullion items are excluded from the discount above. In addition original Government Packed coins such as Proof, Mint and Commemorative sets listed in the "Green Sheets" are excluded. Any coins whose (silver or gold) composition is too close to the numismatic values. All Prices subject to changes due to market conditions!

**Special Notice:**

You may have noticed, we have been adjusting the list prices throughout the entire sale. Effective immediately, we reserve the right to add a 3% convenience charge for credit card purchases. We have reduced the prices to our bottom-line and can't give up the credit card discount charged by the processor. We will suggest payment by check for payment to avoid the additional convenience charge. Over the next few months we hope to have this housekeeping task completed, which will make our pricing structure more reflective of today's market!
