Minimum order: \$25.00. Postage & Insurance on all orders under \$200 will be \$7.50 and FREE for over \$200.

15 day return privilege on all price list orders. Items examined at time of purchase ARE NOT RETURNABLE. Bullion related items ARE NOT RETURNABLE due to MARKET FLUCTUATION. All returns MUST be in original packaging with copy of invoice. Shipping is also NON REFUNDABLE. We do not guarantee overseas shipments.

Grading standards follow ANA Guidelines and Common Sense. We do not guarantee that any particular grading service will agree, they can't agree with themselves. We grade over 100,000 Coins a year and GUARANTEE to buy back any item we sell at the same Grade as sold for the PREVAILING Wholesale level at that time, as we have for 36 years.

Payment MUST be in U.S. Funds drawn on a U.S. bank, Mastercard, VISA, Discover or American Express accepted. We will only ship credit card orders to an address authorized by your credit card company, (i.e. your billing address). Certified checks or postal money orders are also accepted. Please call to reserve your order. We reserved the right to reject credit card purchases of Bullion items.

New York residents must add appropriate sales tax or submit a valid New York State Resale certificate. Call 516-682-2272 and confirm your order. All prices are subject to change without notice due to market conditions.

Volume Discount: Volume Discounts for applicable pieces only: 10% off items totaling under \$200, 15% off & free shipping on all orders over \$200. 20% off & free shipping on all orders over \$300.

Exclusions to discount:

All bullion items are excluded from the discount above. In addition original Government Packed coins such as Proof, Mint and Commemorative sets listed in the "Green Sheets" are excluded. Any coins whose (silver or gold) composition is too close to the numismatic values. All Prices subject to changes due to market conditions!

Special Notice:

You may have noticed, we have been adjusting the list prices throughout the entire sale. Effective immediately, we reserve the right to add a 3% convenience charge for credit card purchases. We have reduced the prices to our bottom-line and can't give up the credit card discount charged by the processor. We will suggest payment by check for payment to avoid the additional convenience charge. Over the next few months we hope to have this housekeeping task completed, which will make our pricing structure more reflective of today's market!

Questions? Call 516-546-2300.
